I support the application

2nd June 2020

Dear Dr,

Application for extension of Notice of Intention (NHT)

I am writing this letter to request the extension of Notice of Intention (NHT). The date for dateline of NHT is 21st July 2020, but I still have some writing work pending and fear that I will not be able to complete it within the original time frame.

Kindly consider the following reasons why I could not complete my thesis on time. I have finished Chapter 1 to 4 and half of the Chapter 5. I'm working in a full time job which slowed me down to finish my write up. Currently, I'm a lecturer at UNITEN and hold a position as Head of Learning, Teaching and Accreditation which required me to attend a lot of meetings and spend a lot of times for preparing academic reports such as changes in programme structure, midterm review and final exam result as well as involved in the transfer credit process for every semester.

Most recent, the global outbreak of COVID-19 and Movement Control Order has led to modification in the current teaching and learning components that involve face-to-face learning to become fully online. At my university, as Head of Learning, Teaching and Accreditation, I involved in preparing guidelines in this matter. In particular, we need to formulate standards of procedure (SOP) for teaching online and alternative assessment and prepare a draft a proposal for face to face (F2F) final examination for certain accounting subjects (as required by professional bodies) for this semester and to conduct F2F for next semester. As the Ministry of Higher

Education come out with the decision that all F2F activities are not allowed until 31st December 2020, we have to draft a guideline and procedure for online final examination (for certain accounting subjects) that previously we planned for F2F examination. In addition, last week I have been instructed to prepare Code of Practice for Programme Accreditation (COPPA) documentation for a new programme. All these sudden matters have distracted my focus from my write up and slow down my progress.

Considering this situation, I shall therefore be grateful if you kindly grant me an extension of NHT. I assure that I will complete and submit my thesis well before the revised deadline.

Thank you in advance for your consideration.

Yours Sincerely,

(Noor Raida Binti Abd Rahman)
