Dear Dr. Rohaida

My name is Borhan Sayedy and I'm Tan Sri Zulkifli's PhD student. My Matric card number is PR113032. I passed my Viva in January 2018 and submitted the final version of my thesis to IBS for the examiner's approval in the last month but had to leave the country as my mother had a major surgery and she needed my help. Moreover, my father is sick with Alzheimer's and is unable to take care of my mother. Therefore, I had no choice but to come to Iran to take care of them until my mother feels better. I have to come back to Malaysia in early October to finish the work including the abstract approval, formatting and submitting the hardbound copy. As I'm currently out of the country and there is no one in Malaysia that is able to take care of the work for me, I would like to extend the deadline to October. This will give me enough time to finish the work and submit the hardbound copy.

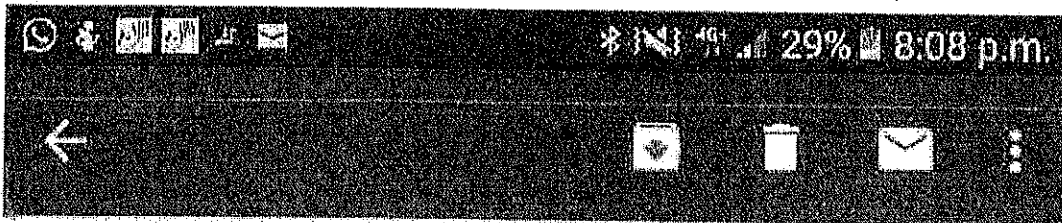

Thank you

Best Regards,

Borhan Sayedy

Assalam Dr. Rohaida,

I hope you are doing well.

My name is Borhan Sayedy and I'm Tan Sri Zulkifli's PhD student. My Matric number is PR113032. I passed my Viva 6 months ago and submitted the final version of my thesis to IBS for the examiner's approval in the last month but I had to leave the country as my mother had a major surgery and she needed my help. I have to come back to Malaysia in early October to finish the work including the abstract approval, formatting and submitting the hardbound copy. I would like to request an extension to finish my work. I was told by Mrs. Nurhafiza in IBS to email you for this request. Currently, the deadline for the hardbound submission is Wednesday, August 8th, but, as I'm currently out of the country and there is no one in Malaysia that is able to take care of the work for me, I would like to extend the deadline to October. This will give me enough time to finish the work and submit the hardbound copy. If you have any questions, please let me know. Thank you for your help.

Best regards,
Borhan
