Analysis

Sir/ Madam,

APPLICATION FOR THESIS SUBMISSION TIME EXTENSION

With reference to the above matter, I am Zatil Izzah Binti Ahmad Tarmizi, Ph.D. student under the supervision of Dr. Roshafima Rasit Ali, would like to apply for thesis submission time extension that will be ended this coming 30 August 2019. Below is the title of the proposed thesis:

Thesis: Preparation and Characterization of Hydrophilic Polyurethane Scaffolds by Electrospinning and Radiation-Induced Grafting of 2-hydroxyl methacrylate.

This time extension application is due to the delay of blood test experiment that needs to get approval from Ethics Committee for Research Involving Human Subject (JKEUPM) for human blood usage. The official letter of ethical approval finally approved on 29 March 2019, and about five analysis need to be conducted at a limited time. In view of this, I wish to apply for thesis submission time extension on the completion of this research. I really hope this application will be considered.

Your understanding and consideration in this matter are highly appreciated.

Thank You.

Sincerely,

Zatil Izzah Binti Ahmad Tarmizi

Please note that the official letter of approval will be issued as soon as possible. However, the ethical clearance is considered effective from the date of this email, and you may now proceed with your research.

Kindly please remind the ethical approval is required in the case of amendments/ changes to the study documents/ study sites/ study team.
