2.0 Postgraduate Matters	2.3 Extension of Notice of Thesis Submission i. Ahmad Essameldin Fawzy Elfakharany (MMJ173022) The Committee approved and agreed to maintain previous appointed panel of examiners, Chairman and Assistant Chairman.	Information

Respected Graduate Studies office,

I am writing this letter to request an extension in the deadline for submitting my Master thesis. The date for submission is Jul 22, 2020, but I still have some experimentation and writing work pending and fear that I will not be able to complete it within the original time frame.

Kindly consider the following reasons why I could not complete my research on time: At this stage in the research and due to the delay caused because of the MCO due to COVID-19 I wasn't able to perform some needed experiments to enhance the current results and some writing is still pending on these results.

Considering my problem, kindly grant me an extension of 6 months for submitting the thesis.

Thank you for your time and consideration.

Yours Sincerely,

Ahmed Elfakhara
