SUBJECT: Extension appeal for submission of thesis corrections

Dear Prof. Dr. Rohaida Basiruddin

As my supervisor confirms, with the aim of presenting an appropriate thesis I have diligently made most of the corrections commented by the examiners over the past few months. But the problems caused by my waist and spine injury in the previous car accident have intensified again since last month. Although treatment and physiotherapy are performing under the supervision of my doctor, some daily activities such as sitting at a computer desk are only possible for me for a very short time. Therefore, I would be very grateful if your Excellency and the esteemed members of the Committee would agree to my request for a four-month extension of the thesis submission time. By the way, I will send it to you as soon as I receive a medical letter from my doctor. Thank you in advance for your attention and cooperation.

Yours Sincerely,

Ramin Azadavar
