**Assalamualaikum and good day,
Dear Nurun,**

I would like to request for more time in order to tidy up my work (thesis). The delay for thesis submission is as a result of challenges associated with the covid-19 pandemic, an experiment needs to be conducted in the lab, and difficulties in returning to Malaysia due to immigration procedures. Currently, in the stage of correction and review chapters with a percentage above 60%. It would be great if the thesis submission notice renewing will be granted. For further inquiries, please feel free to contact me or my supervisor, which he already received this email.

Your cooperation in this regard is highly appreciated.

Thank you in anticipation.

Regards,

Khalid
