**Subject: Application for the Date Extension of my thesis
corrections due on 28th February.**

Dear Sir/Madam.

My final exam viva was held on 1st March 2020, I was given one year corrections for thesis re-submission. I reached Pakistan at the end of March 2020. I was kept in official Quarantine due to Covid-19 in Islamabad.

After Quarantine, I left for my native village as in Islamabad it was totally lock down. In village there was internet issue too. Meanwhile, I communicated these issues to my Supervisor as well. I am also in diabetes health issues too. These issues remained key obstacles in completion of thesis in time.

In view of the subject above mentioned problems, it is request to please extend my submission which is due on 28/02/21 so, I may be able to submit my final thesis corrections. Hope you will consider my application for the said extension and will oblige me for the said extension.

Thanking you,

Regards.
